

Hali-Brite® L810 Solar Powered Obstruction Light

Features

- 100% Solar powered L810 LED Obstruction Light
- 50Ah Lithium Ion battery for long life and extended runtime
- 50watt Solar panel to ensure operation for sunny or cloudy climates
- 7 day Autonomy/ "no sun" runtime- runs for 7 days+ without sun on a fully charged battery (single light, dusk to dawn)
- Automatic photocell for "Dusk to Dawn" operation
- Option for 24/7 "Always On"
- Available in Single or Dual Obstruction Lights
- Universal fence mount plate to accommodate up to 3.5" post (*U-bolts to fence not included)
- Optional Wall or Roof mount hardware
- Easy Installation: mount plate and post to fence first, then slip on pre-assembled housing and panel
- Adjustable solar panel angle based on location
- Powder coated for superior environmental protection
- L810 Light engine FAA certified

Perfect for fences, posts, buildings or any other obstructions that are difficult to run power to.
